Principal's Report and SSP

### **SAC Principal's Report 2026Feb 24**

- ❖ February is African Heritage Month- we had a group coming from The Africa Centre of Art and Culture for a presentation. We enjoyed a whole school performance by Amadou Kienou and Djeli Sira Group of Burkina Faso on Feb 13th. Our students and staff found the presentation engaging.
- ❖
- ❖ Winter Walk Day - Feb 5 during phys ed classes. Perfect day for it, followed by hot chocolate.
- ❖ **Registration Month is February**- we have had a good response to registrations this month. Please continue to mention it so we get an accurate number for our staffing process.
- ❖ Safety drills: We had our final Lockdown drill of the year.
- ❖ LC teacher will be starting next week.

Miller, Jean

- ❖ The end of the second term is fast approaching. Teachers are busy continuing to collect student assessment information and will spend time prior to March Break writing report cards.
- ❖ **Student Success plan**
  - We will continue to have literacy, math and well-being goals and strategies specific focus on our students of African and/or Mi'kmaw/Indigenous ancestry.
  - **Literacy**- our primary and ones recently completed a literacy screener with our ELST staff. These results were shared and then intervention groups created based on these results.
  - **Math**- focus on computational fluency, using a success criteria document to monitor how students are doing in counting and number relationships. A math coach will join us this week.
  - **Well-being**-everyone feeling happy, safe, and welcome. We want to help students learn and grow into kind people who love to learn new things every day.

#### **Operations Update:**

I have reached out to Operations regarding a mud kitchen and other outside activities. We want these to be on HRCE property. I

Ashley Zahavich

Teacher Wishlist - 2 new wishes; AZ sent new items to JM

& Person

JM & LG requested support of the SAC to plan a field trip for the whole school to the Shubenacadie Wildlife Park for year end outing. Overwhelming support from SAC members in attendance. The TJES admin is still collecting quotes for trip cost. The SAC pre-approved expenses up to \$4000.
