

**EXCEL REGISTRATION INFORMATION FOR 2024-2025:**

EXCEL Registration is divided into two periods:

- (1) Early Registration for families with a child(ren) enrolled in the 2023-24 EXCEL Program by April 26, 2024 and their siblings who are new to the program.
- (2) General Registration for families who **do not** have a child(ren) currently enrolled in the 2023-24 EXCEL Program.

As usual, **all** families must **re-register each year** for the EXCEL program regardless of enrollment/wait list status. As in previous years, families may only submit an EXCEL application for the school(s) in which their child(ren) is registered for 2024-25. Enrollment for available spaces is based on date and time of application submission.
